Director  
Ohio Environmental Protection Agency

Dear Mr. Nally:

The U.S. Environmental Protection Agency would like to thank you and your staff for participating in our enforcement program review of the Clean Air Act Stationary Source program, Clean Water Act National Pollutant Discharge Elimination System program, and Resource Conservation and Recovery Act Subtitle C hazardous waste program. We appreciate your staff's cooperation and assistance during this review.

Please find enclosed the final enforcement review report, which contains an executive summary, as well as detailed findings and recommendations concerning Ohio Environmental Protection Agency's (OEPA) enforcement programs. We used an analysis of OEPA data and reviews of OEPA's case files, in addition to feedback from OEPA on the draft report, to develop the final report. As you can see, both agencies have committed to follow-up actions in many areas.

If you have any questions, please contact me at 312-886-3000 or Alan Walts, Director, Office of Enforcement and Compliance Assistance, at 312-353-8894 or [walts.alan@epa.gov](mailto:walts.alan@epa.gov).

Sincerely,
